ORDER

This matter comes before the Court pursuant to Local Civil Rule 5(C) and Defendant and Norfolk Southern Railway Company's Motion to Seal. Defendant seeks to seal portions of its unredacted Memorandum in Support of Motion in Limine to Exclude Evidence and Argument on CSX's Loss of Customer Contracts, together with the following Exhibits to Defendant's Memorandum in Support of Motion in Limine to Exclude Evidence and Argument on CSX's Loss of Customer Contracts: Exhibits A, C, D, and E. These documents contain and/or reference information that Plaintiff CSX Transportation, Inc. ("CSXT") has indicated is "CONFIDENTIAL," "HIGHLY CONFIDENTIAL," or "CONFIDENTIAL – ATTORNEYS' EYES ONLY" under the Stipulated Protective Order entered in this matter. ECF No. 79.

Before this Court may seal documents, it must: "(1) provide public notice of the request to seal and allow interested parties a reasonable opportunity to object, (2) consider less drastic alternatives to sealing the documents, and (3) provide specific reasons and factual findings

supporting its decision to seal the documents and for rejecting the alternatives.” *Ashcraft v. Conoco, Inc.*, 218 F.3d 282, 288 (4th Cir. 2000) (citations omitted).

In compliance with Local Rule 5 and *Ashcraft*, Defendant provided public notice of this motion by filing an appropriate Notice with the Court. In support of sealing, Defendant argued that its unredacted Memorandum in Support of Motion in Limine to Exclude Evidence and Argument on CSX’s Loss of Customer Contracts, together with Exhibits A, C, D, and E contain highly confidential and sensitive information relating to CSXT’s transportation and shipping practices, business strategy, internal communications, and other highly confidential, proprietary, and sensitive business information, release of which would harm the parties. There are no less drastic alternatives to sealing because the documents are redacted such that only information designated as “CONFIDENTIAL,” “HIGHLY CONFIDENTIAL,” or “CONFIDENTIAL – ATTORNEYS’ EYES ONLY” has been redacted. Defendant also filed a redacted version of its Memorandum in Support of Motion in Limine to Exclude Evidence and Argument on CSX’s Loss of Customer Contracts. Given the nature of the confidential information contained in the identified Exhibits, further redaction of these Exhibits is impractical.

Based on the foregoing, the Court **FINDS** that the information at issue constitutes confidential and proprietary information and that less drastic alternatives to sealing Defendant’s unredacted Memorandum in Support of Motion in Limine to Exclude Evidence and Argument on CSX’s Loss of Customer Contracts and unredacted Exhibits are not feasible.

Accordingly, the Court **GRANTS** Defendant’s Motion to Seal and **ORDERS** that Defendant’s Memorandum in Support of Motion in Limine to Exclude Evidence and Argument on CSX’s Loss of Customer Contracts, and unredacted Exhibits A, C, D, and E to its Motion and Memorandum in Support of Motion in Limine to Exclude Evidence and Argument on CSX’s Loss

of Customer Contracts shall be maintained under seal by the Clerk pending further order of the Court. The Clerk is **REQUESTED** to send a copy of this Order to all counsel of record.

IT IS SO ORDERED.

Norfolk, Virginia
